They swim happily

by MiaQc

Summary

Ami was in the bath reading a book when three Blue Pikmin
arrived.

- A translation of Ils nagent joyeusement by MiaQc

I'm Ami Mizuno. I was in the bath reading a book, as I often do early in the morning, when I hear small footsteps. I looked up from my book and saw three Blue Pikmin heading for the bath.

"Hello? How did you get in here?"

The Pikmin arrive in front of the bathtub and jump, trying to climb up.

"I know Blue Pikmin love water, but... I'm already here. Can't you wait a little bit?"

I dive back into my reading. I can still hear the Pimkin jumping. I sigh.

"All right, all right."

I get out of the bath, being careful not to put my feet on them, put my book down a little further away and take the Pikmin in my hands. They make purring like sounds. This makes me laugh. I place them in the water. Immediately they're swimming happily. I smile. My bath and my reading may be interrupted, but seeing this scene was worth it.
